Cultural Programme Friday evening

To make the most of this central London venue, we will be organising various options for Friday evening: theatre trip, music gig, local pubs, or socialising in the hotel.

If enough people are interested in visiting the theatre or going to a music gig, then we may be able to get discount tickets. Please give us some indication of your choice of event, each of which will be co-ordinated by a member of the conference team, and we will contact you closer to the time to confirm details of tickets and so on. The costs of the theatre trip and music gig will be additional to the basic conference fee.
